

# Platform closure at Kaisermühlen/VIC U1 subway station

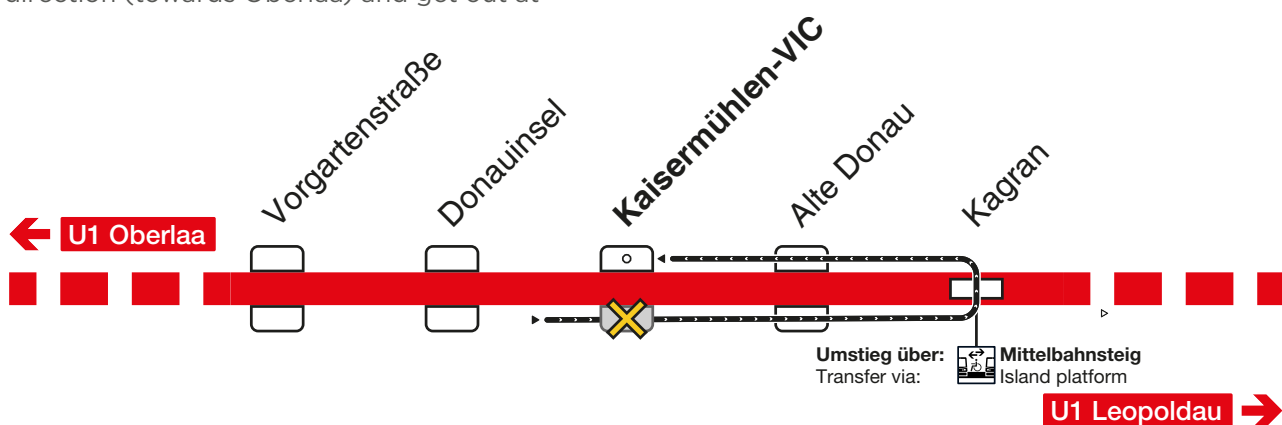

How can you reach the Austria Center Vienna on public transportation?

The U1 service for Leopoldau (from the city center) will not stop at Kaisermühlen/VIC **between 25 April and August 2022**.

As a result, all participants will need to remain on board for **two more stations** to Kagran, change to the U1 service traveling in the opposite direction (towards Oberlaa) and get out at

Kaisermühlen/VIC. Kagran has a central, barrier-free platform.

Below is a copy of the map provided by Wiener Linien, which is also displayed at the stations affected. There will also be announcements about the platform closure in the U1.

**Sperre Station Kaisermühlen-VIC in Richtung Leopoldau**  
Station Kaisermühlen-VIC closed in direction Leopoldau

**Empfohlener Weg zur Station Kaisermühlen-VIC von Oberlaa kommend**  
Recommended way to station Kaisermühlen-VIC coming from Oberlaa
